

foRMAtion: a unique initiative to train and mentor university students as potential future RMAs

Innovative and smart module FOr potential Research Managers and Administrators in higher educaTION

Duration: 1 Sept 2019 - 31 Dec 2022

2019-1-HU01-KA203-061233

Erasmus+ KA2 Strategic Partnership for Higher Education Innovation

Co-funded by the Erasmus+ Programme of the European Union

OBJECTIVES

ADAPTING GOOD PRACTICES

DEVELOPING INNOVATIVE TOOLS

FILLING THE EMPLOYMENT GAP

MAKING THE PROFESSION ATTRACTIVE

PARTNERSHIP

Coordinator:

HETFA Research Institute Ltd. (HU)

Universities:

Corvinus University of Budapest (HU)

Sapientia Hungarian University of Transylvania (RO)

Universidade NOVA de Lisboa (PT)

Research Performing Organizations:

Slovenian Forestry Institute (SI)

Sociedade Portuguesa de Inovação (PT)

Agency for the Promotion of European Research (IT)

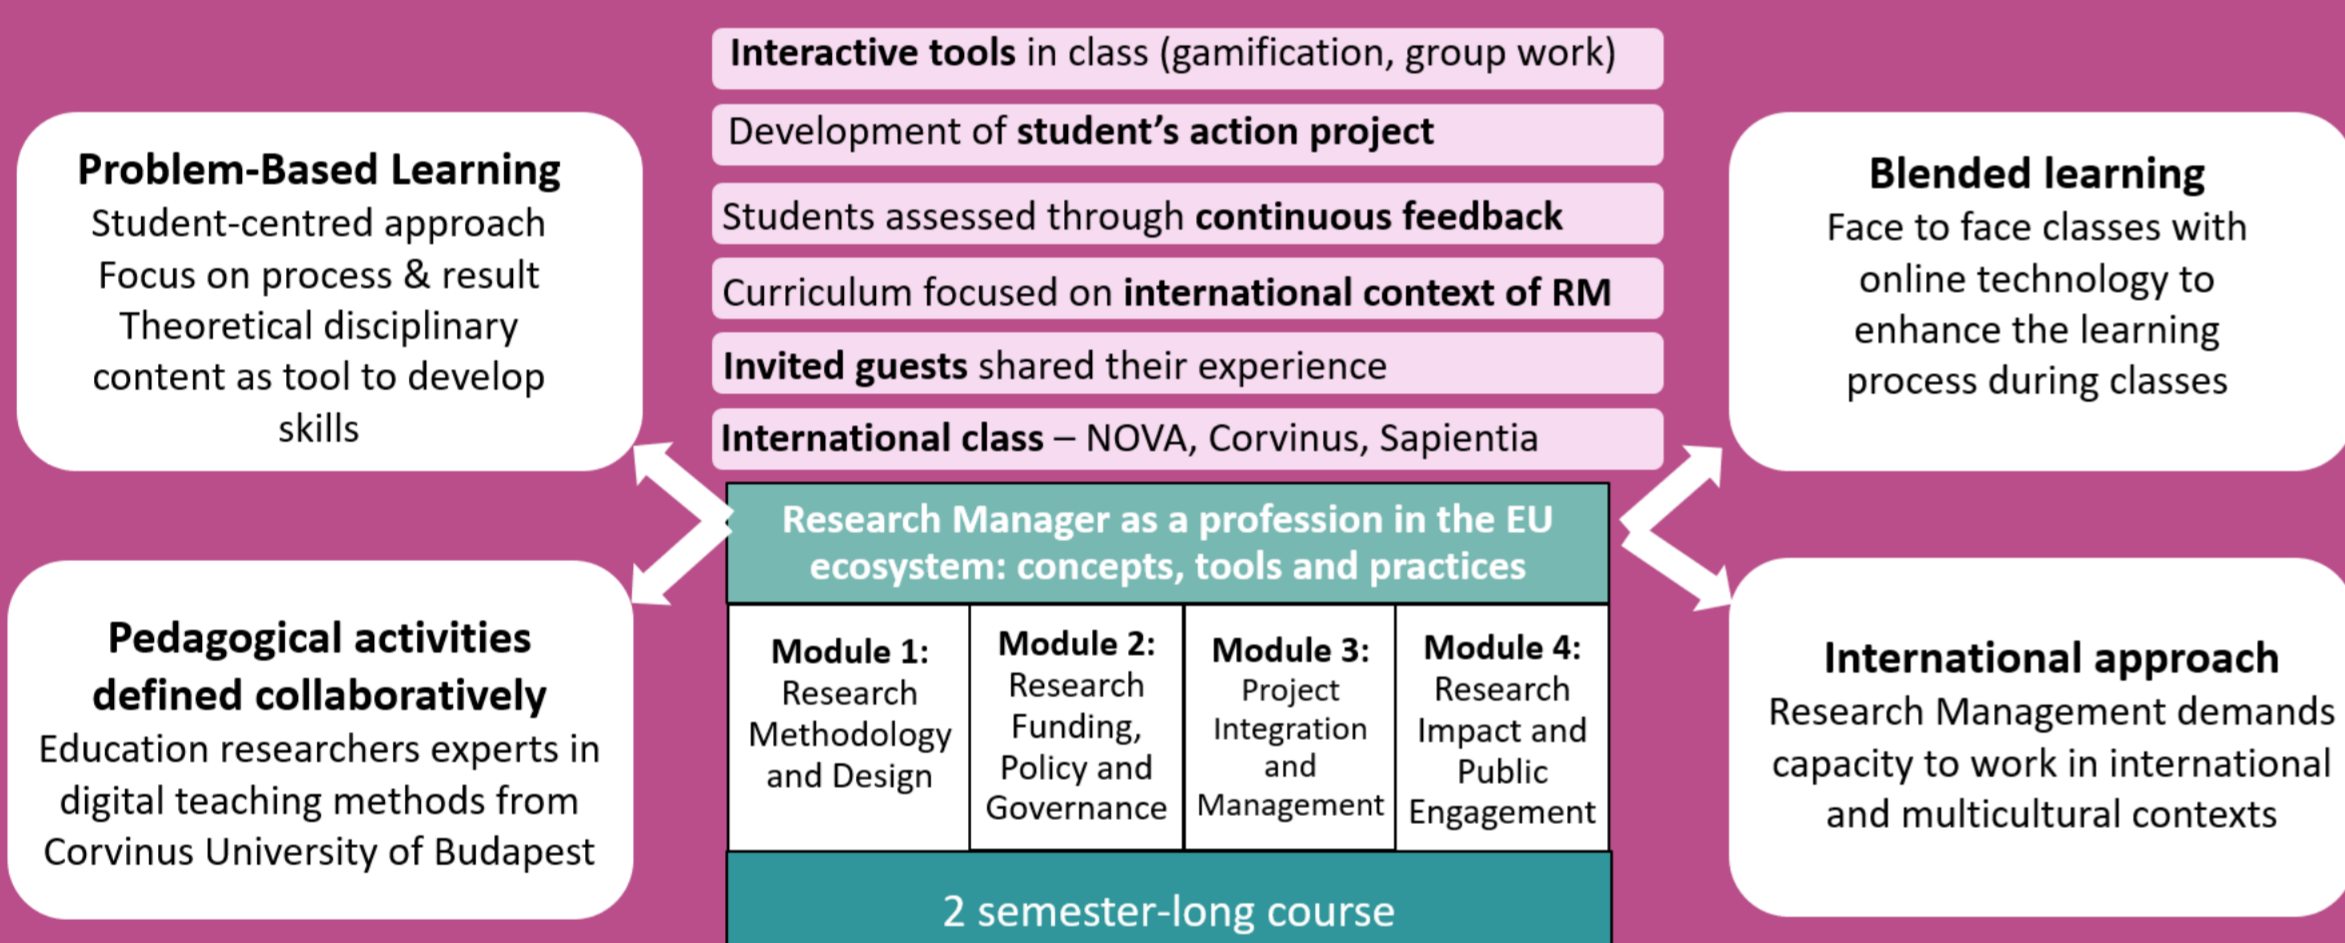

Institute of Studies for the Integration of Systems (IT)

RESULTS

INTERNATIONAL MODULE

- Elective course for BA (and MA) students from any study fields
- Delivered simultaneously at 3 partner universities (NOVA (PT), Corvinus (HU), Sapientia (RO))
- Initially prepared for blended learning - taught in online, hybrid and presential learning environments
- Both the foRMAtion curriculum (IO2) and the teaching material (IO3) are freely available, easily adoptable and adaptable for different learning and training activities

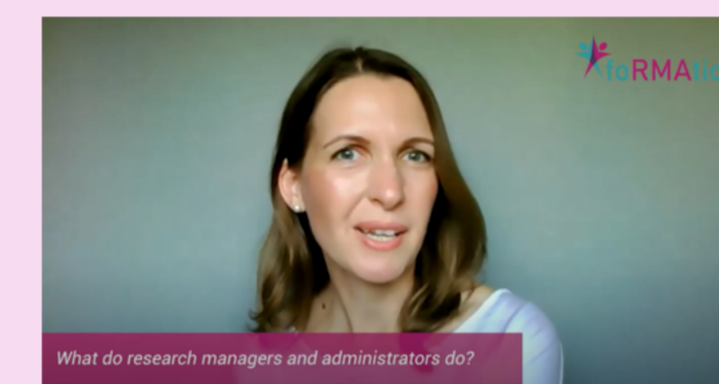

ONLINE LEARNING RESOURCES AND SELF-DEVELOPMENT TOOL

- Freely available materials, exercises and tools on the website
- For students, early career RMAs or RMAs designing trainings

Introductory videos

Learning outcomes
Online textbook
Lesson plans

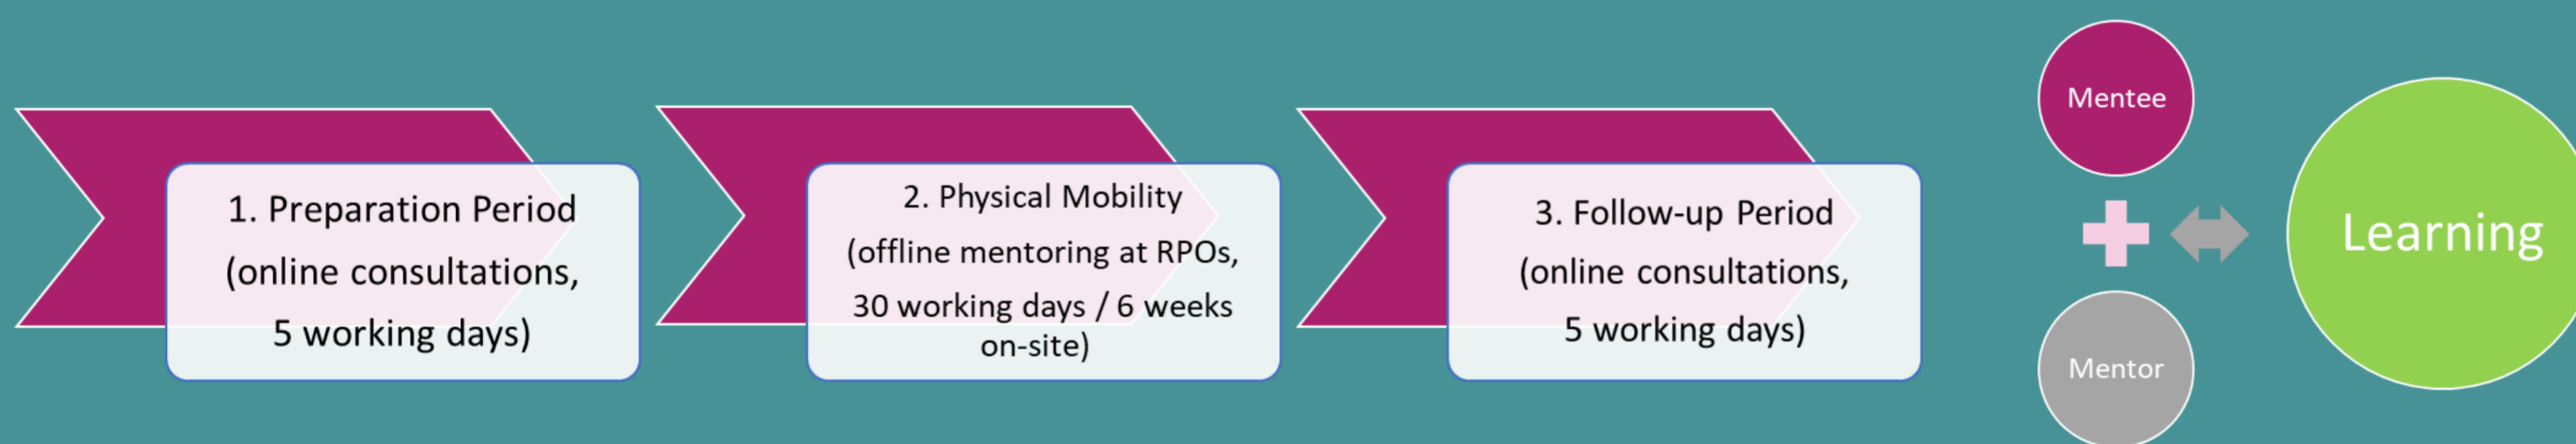

Online exercises
Online test

If you complete the online test successfully, you can get a FREE certificate in Research Management and Administration!

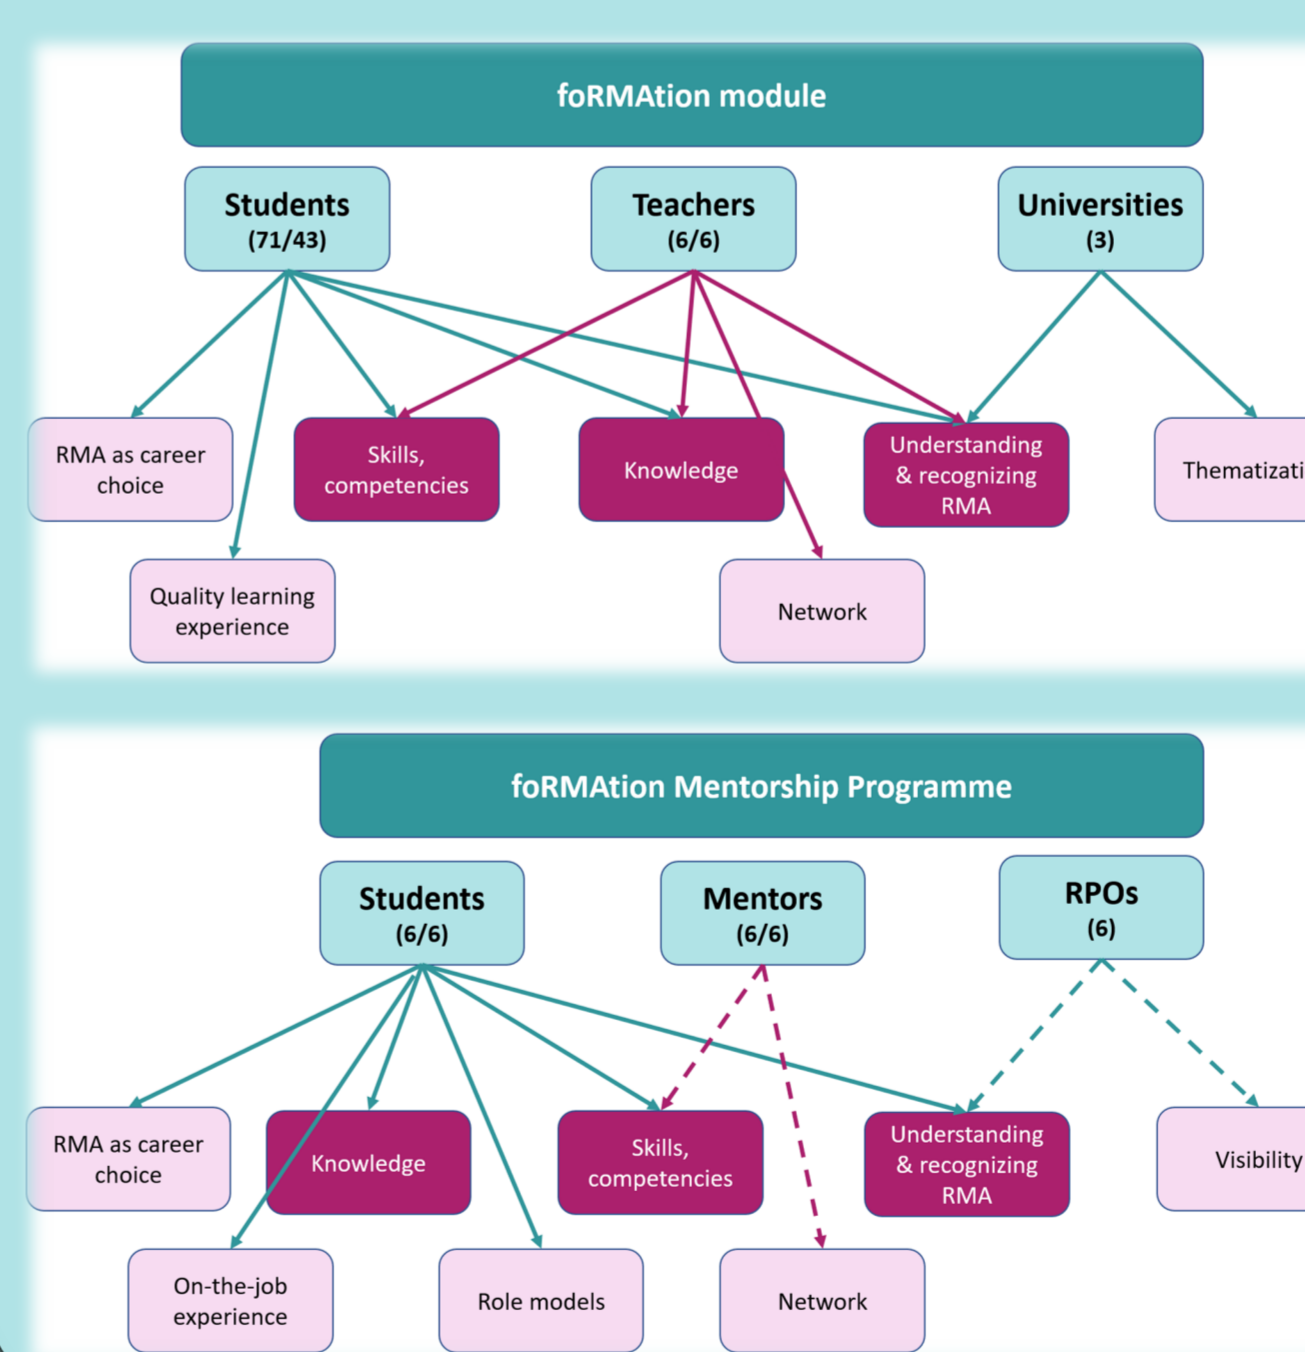

MENTORSHIP PROGRAMME

The mentorship programme is a blended learning mobility for university students
Intensive study programme which is worth ECTS credits

The methodological guide for the mentorship programme (IO4) presents the methodology, the definition of learning goals, the mentor-student relationship, addresses potential challenges, and summarizes the experiences of the pilot programme

IMPACT ASSESSMENT AND POLICY RECOMMENDATIONS

UNIQUE SELLING POINTS:

STUDENTS

- attractive and marketable knowledge
- new and challenging information and equipped with cutting-edge tools
- professional connections with RMAs

RMA COMMUNITY

- teaching enables self-reflection
- mentoring contributes to professional development, leadership skill development
- training materials for newcomers
- increased visibility and understanding of research support

RPO LEADERS

- widened course offer
- increased competitiveness in R&I projects
- opportunity for career development of RMAs
- increased visibility, networking opportunities
- clarification of roles and expectations

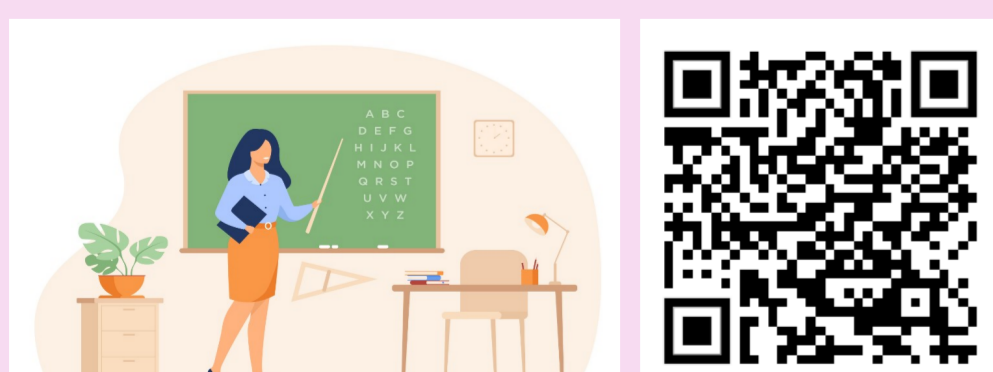

POLICY-MAKERS

- training corresponding to labour market needs
- clarification of roles and expectations in R&I projects
- increased professionalism, increased competitiveness and efficiency
